TRIP ITINERARY

DAYS 1 ARRIVE IN AMMAN. HOTEL TRANSFERS INCLUDED

Once you've landed at the airport, we'll be there to meet you and transfer you to your hotel in Jordan's bustling capital city of Amman. After helping you check in and pointing you to any local shops, cafes or restaurants, you're free to explore Amman independently before our sightseeing starts tomorrow.

Overnight: Amman 4-star hotel

DAYS 2 EXPLORING JERASH AND AMMAN

We start the day by heading north out of Amman to nearby Jerash, one of the largest and most well-preserved sites of Roman architecture in the world outside Italy. Fondly referred to as the 'Jewel of the North', Jerash boasts an unbroken chain of human occupation dating back more than 6,500 years.

Jerash was hidden for centuries in sand, excavations and restorations over the past 70 years have revealed a fine example of the grand, formal provincial Roman urbanism that is found throughout the Middle East.

After returning from Jerash we spend the afternoon exploring Amman, commonly known as the 'white city' due to its sheer number of white limestone buildings. Amman's rich history dates back many millennia, with numerous excavations and renovations uncovering remains from the Neolithic period as well as the Hellenistic and late Roman to Arab Islamic Ages.

Our tour will include the Citadel - the former home of the ancient Temple of Hercules, The Umayyad Palace and the Byzantine Church. We'll also visit the 6000-seat Roman Theatre - which dates to the Roman period, when the city was known as Philadelphia.

Overnight: Amman 4-star hotel

DAYS 3 KING'S HIGHWAY TO PETRA WITH STOPS AT MADABA & KERAK CASTLE

We leave Amman behind us today as we drive along the scenic King's Highway to Petra. The drive is a beautiful one as we cross deep wadis, pass through olive groves and remote rural villages, giving you a unique insight into the daily lives of the locals.

Our first stop will be at Madaba, as we visit the Greek Orthodox Church of St. George - famed for its 6th century Byzantine Mosaic map of the Holy Land and other biblical sites. Next, we'll venture up Mount Nebo, which offers breath-taking views of the Holy Land.

We'll hit the road once more, this time crossing the beautiful Wadi al-Mujib, which winds through olive groves before it traverses up over a deep canyon until we reach Kerak Castle, which forms part of several Crusader castles built during the 12th century on the Egypt-Syrian caravan route.

Upon arrival in Petra, we'll check into the hotel and the evening is free for you to relax and explore. An option is available to get a first taste of Petra itself with the atmospheric Petra by Candlelight tour through the Siq to the Treasury.

Overnight: Petra 3-star hotel

DAYS 4 FULL DAY EXPLORATION OF PETRA, CAMPING UNDERNEATH THE STARS IN WADI RUM

Today is all about exploring the Nabatean site of Petra. It was once the ancient capital of the Nabataean commercial empire until the Romans finally took over in 106AD. For a long period of time, Petra was forgotten - except by the local Bedouins - before it was rediscovered in 1812 by Swiss explorer Johann Ludwig Burckhardt. Petra can be found at the edge of the Wadi Aruba desert, where canyon walls and towering hills make it virtually impossible to reach, except via a narrow cleft in the rock, known as the Siq. There are very few free-standing buildings in Petra, as the Nabateans chose to carve their dwellings into the multi coloured sandstone cliffs. Petra has become one of Jordan's main tourist attractions and the Jordanian Government is well aware of this. The tourism infrastructure in the adjoining village of Wadi Musa is booming, though, thankfully, once you enter through the Siq, the site is protected, there aren't that many touts or souvenir sellers, and all the building feels miles away.

We have most of the day available today to explore this ancient city (2-3 hour guided tour, then free time to explore independently). We start by making our way through the Siq, which rises to 200 metres above us and narrows to just 2 metres wide in certain sections. Keep an eye out for the ancient Nabatean water channel which is still visible on one wall and there are remnants of the terracotta pipes that brought water into the city as well. We'll turn a corner and suddenly - one of the most familiar sights of Petra will be in front of you - The Khazneh (Treasury) comes into view. Our guide will explain how this, and the other buildings here, are mainly elaborate facades carved into the rock from the top down, and also discuss the spiritual significance of the building style.

From the Treasury, the valley opens out, and you'll see tombs carved into the rock on both sides. You'll get a glimpse of the ruined Roman amphitheatre and colonnaded streets and during your free time, you can walk up a steep and narrow winding gorge to the towering 'Monastery' - which is 50 metres high and 45 metres wide, giving you breath-taking views of the Wadi Aruba desert and the Jordan Valley. Another climb takes you to the High Place of Sacrifice, and Lion Fountain. All in all, this is a full and tiring exercise, but hugely rewarding day touring one of the world's most famous ancient sites.

Walking distances today are an absolute minimum of 3km through the Siq to the Treasury and back and to see a few tombs, 8km to take the trail on as far as the main basin, plus an additional few km to the Monastery and back (over 800 steps up and down). For those with less mobility or who are worried about the distance, horse carriages are available for around 20JD (USD 28) to take you on the 1.2km journey through the Siq to the Treasury and back again at an agreed time. They will also take you further in through the site for an extra fee. We do not recommend riding the horses that are available. Donkeys are available for the steps up to the Monastery - if you want to use them, we'd recommend doing this on the way up, not on the way down.

Later in the afternoon, we leave Petra and drive into the spectacular desert scenery of Wadi Rum where friendly Bedouin hosts are ready to greet us at a comfortable camp beneath the towering rocks and cliffs. We spend the evening and night relaxing at the camp, watching the stars and enjoying a delicious traditional Jordanian meal.

(Breakfast, Dinner)

Overnight: Wadi Rum Bedouin camp

DAYS 5 A JEEP SAFARI IN WADI RUM & DEAD SEA SWIM

We start the day early, exploring the beautiful desert and mountain scenery of Wadi Rum. Keep an eye out for the copper-coloured rocky 'jebels', which mesmerised TE Lawrence during his visits to the desert during the Arab Revolt and was later famed in the movie Lawrence of Arabia. We'll take a jeep safari

through the beautiful desert scenery, seeing more of the sheer cliffs and bizarre rock formations.

We say goodbye to Wadi Rum later in the morning and head north towards the Dead Sea, one of the planet's most spectacular destinations. Not only is it the lowest point on earth, coming in at 400 metres below sea level, it's also considered to be one of the world's most spiritual landscapes, filled with dramatic, natural wonders.

The Dead Sea is fed by numerous rivers, including the River Jordan. Once the waters reach the Dead Sea they are land-locked and have nowhere to go, so they evaporate, leaving behind a dense, rich, cocktail of salts and minerals that supply industry, agriculture and medicine with some of its finest products.

The Dead Sea is flanked by mountains to the east and the rolling hills of Jerusalem to the west, giving it an almost otherworldly beauty. Although sparsely populated and serenely quiet now, the area is believed to have been home to five Biblical cities: Sodom, Gomorrah, Adman, Zebouin and Zoar (Bela).

We'll stop along the way to enjoy a 'swim', though the intensely salty waters lead to a very strange swimming experience. In fact, normal swimming is not possible, and it is easier (and more photogenic!) just to float, sitting or lying in the water. Be careful not to get any water in your eyes, as it will sting. Showers will be available where we swim to clean off the salt water afterwards. If you'd like some additional time at the Dead Sea for spa treatments and/or relaxation, we also offer the option of spending your final night in Jordan here instead of returning to Amman.

We finish the day back at our hotel in Amman.

(Breakfast)

Overnight: Amman 4-star hotel

DAYS 6 AMMAN TO CAIRO. HOTEL TRANSFER INCLUDED

We leave Jordan today and transfer you to Amman airport for your flight to Cairo. Once you arrive, we'll meet you at the airport, assist you with obtaining your visa and luggage, and then transfer you to your hotel for the start of your trip. We'll help you check in before giving you some free time to relax or explore Cairo independently. An optional dinner cruise on the Nile is also available tonight.

Note: *the Amman-Cairo flight is left out of the set tour price as it is often more cost effective for you to include this flight as part of your main international flight ticket. We are happy to book all your international flights, just this Amman-Cairo flight, or none of them at all, whichever works best for you. Direct flights are available with both Egypt Air and Royal Jordanian Airlines. You can fly at any time during the day - all transfers in Amman and Cairo are included.*

(Breakfast)

Overnight: Cairo 3-star hotel

DAYS 7 CAIRO, PYRAMIDS & SPHINX AT GIZA. OVERNIGHT TRAIN TO ASWAN

We start our exploration of Egypt with the iconic three great pyramids at Giza, on the outskirts of Cairo. Probably the most recognizable ancient buildings in the world, these three pyramids were built by the Pharaohs Khufu, Khafre and Menkaure around 2500 years BC. Our Egyptologist guide will start your introduction into Egyptian history here with information on how and why pyramids were built and how they fit into the whole ancient Pharaonic story. You'll have the chance to climb down inside one of these pyramids if you wish (and if you're not claustrophobic!).

Our next visit is the majestic Sphinx, which nestles nearby, and was uncovered completely only in the 1920s. In the afternoon you'll have some free time to visit the Egyptian Museum of antiquities, home to the treasures of ancient Egypt.

This evening we will board the overnight VIP seater train from Cairo to Aswan. For those preferring more

comfort, there is the option of upgrading to the sleeper train where you will have a private cabin onboard with airline style meals included.

(Breakfast)

Overnight: Overnight seater train

DAYS 8 ARRIVE IN ASWAN. PHILAE TEMPLE & NUBIAN VILLAGE

After our night onboard the overnight train, we arrive in Aswan where we spend the night in a Nubian village staying in a local guesthouse. The ancient region of Nubia comprised an area around the Nile in parts of present day southern Egypt and northern Sudan. Many descendants of the Nubian people still live around Aswan and during our stay we'll see their colourful houses.

This morning we'll take a boat trip to visit one of Egypt's most beautifully situated temples which was also reclaimed from the rising waters of Lake Nasser. This is the Temple of Philae, which was dedicated to Isis.

After visiting Philae Temple, we'll head south of Aswan to visit one of the Nubian Villages where we'll have the opportunity to experience the local way of life and visit the local homes of the Nubian people and even spend the night in a local guesthouse.

(Breakfast)

Overnight: Aswan - Nubian guesthouse

DAYS 9 ASWAN, ABU SIMBEL OPTION, FELUCCA CRUISE

There is an optional tour early this morning to drive to the amazing UNESCO world heritage site at Abu Simbel which sits on the banks of Lake Nasser about 3 hours away from Aswan. The temples here were built by Ramses II and are one of Egypt's most impressive and fascinating sites, especially because they are carved into the hillside rather than built independently, and were completely dismantled and moved to their present location when Lake Nasser was flooded. If you don't visit Abu Simbel you can explore Aswan's markets and Corniche this morning or visit the Nubian Museum which has an excellent collection covering the history of the Nubian people in the region.

Later we board a traditional Nile felucca and sail a little way out of Aswan before mooring up for the night. Our separate facilities boat will join with us from time to time during the day and moor up with us at night. This boat helps us protect the environment of the banks of the Nile, having a proper toilet and showers on board as well as a hygienic kitchen. You sleep on the deck of the boat, with mattresses, blankets and mosquito nets provided. This is a fun but basic experience, and you can upgrade the night sleeping on the felucca to an additional night in a hotel in Aswan if you prefer.

(Breakfast, Lunch, Dinner)

Overnight: Amman 4-star hotel

DAYS 10 FELUCCA SAILING, TO LUXOR VIA EDFU. OPTIONAL LUXOR TEMPLE AT NIGHT

We spend some more time onboard the Felucca this morning whilst enjoying breakfast with the crew, before we bid them a reluctant goodbye and drive north to Luxor, making a stop along the way to visit Edfu Temple. Luxor is the jewel in Egypt's crown with the largest concentrations of ancient ruins in the Nile Valley, if not the world. These are split across both banks of the Nile, with the City of the Dead on the West Bank with many mortuary temples and tombs cut into the rocky mountains, and with the Temples of Luxor and Karnak and their connecting Avenue of Sphinxes the highlights on the East Bank. Later this evening there is an optional tour available to Luxor Temple which is right in the middle of town and beautifully lit up at night. You'll can also head into town to explore some of Luxor's popular outdoor cafes, perhaps enjoying a few games of backgammon and trying a shisha pipe with the locals. We spend the night at a comfortable 4-star hotel with a pool on the banks of the Nile.

(Breakfast, Lunch)

Overnight: Luxor 4-star hotel

DAYS 11 LUXOR, WEST BANK TOUR. OPTIONAL KARNAK TEMPLE TOUR. TRAIN TO CAIRO

This morning we take a tour to the West Bank of the Nile, where we'll visit the Temple of Queen Hatchepsut, explore several tombs in the Valley of the Kings, learn about the workers who made all this happen in Deir El-Medina (the Valley of the Artisans) and stop to see the huge Colossi of Memnon. Your afternoon is then free to relax in the hotel, or take an optional tour to explore the huge temple complex at Karnak. A spectacular hot air balloon flight over the west bank of the Nile is also available today (expect another early start to catch sunrise as the balloon rises).

This evening we re-join the overnight VIP seater train back to Cairo (there is another opportunity to upgrade to the sleeper train for those looking for more comfort).

(Breakfast)

Overnight: Overnight seater train

DAYS 12 ARRIVE IN CAIRO. OPTIONAL DAY TRIPS AVAILABLE

We arrive back into Cairo this morning and transfer to our hotel. The day is then free to explore Cairo as you choose or you may take an optional tour. These include a city tour in Cairo which visits Coptic Cairo, the Citadel and Mohamed Ali Mosque, or a half day tour to Saqqara, Dashour and Memphis to learn more about the history and evolution of pyramid building. Another full day option further afield includes a trip into the desert outside Cairo to see the World Heritage Site of the Valley of the Whales at Wadi Rayan.

If you haven't chosen to join one of our full day optional tours, in the afternoon there is the option to take a guided walk through the back streets and bazaars in central Cairo. We'll walk through the huge Bab al-Futuh gateway and explore streets dedicated to metalwork, spices, pottery, fabric, jewellery and anything else you can imagine as we gradually enter the more touristy Khan-el-Khalili bazaar. We'll have time for a break to try some tea and a shisha pipe and perhaps enjoy an early dinner of Egypt's unofficial national dish, Koshari before returning to our hotel.

(Breakfast)

Overnight: Cairo 3-star hotel

DAYS 13 CAIRO, OPTIONAL CITY & MUSEUM TOUR. DEPARTURE AIRPORT TRANSFER

Your time is free today for some last minute sightseeing or shopping until we transfer you to the airport for your departure flight. We recommend an afternoon or evening flight so that you can take a tour to visit the incredible Egyptian Museum and see more of the city this morning. Extra nights in Cairo are also available if you would like to extend your stay.

PASSPORTS

Your passport must be valid for at least 6 months AFTER your trip finishes. This is a general requirement for all of the countries we travel to on our trips.

If you have dual nationality you can only use one passport for the entire trip. It is your responsibility to ensure you have all the relevant visas you require.

VISAS

Egypt

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

We recommend that you contact your closest Egyptian consulate or embassy for current information for your nationality.

In general official advice is that all nationalities obtain their Egypt visas in advance, as we cannot

guarantee that you can get them in the airport or land border. An online e-visa is available through [visa2egypt](#) and we recommend obtaining your visa via this method whether arriving in to Egypt by air or land if you are able. Please do not use any other website as there are many scam sites offering Egypt e-visas.

In practice however, many nationalities (including British and European, Australian, New Zealand, USA) can and do obtain their visas on arrival in Cairo airport or most land borders. The process is much quicker and simpler, the cost is currently **US\$25 p/p** and must be paid in hard currency (i.e. GBP, USD or EUR) - you'll be given change in local currency if necessary. There are no forms to fill in and you don't need to bring passport photos. Visas are issued at one of the bank desks in the immigration hall, before you get to passport control. On our small group tours, our representative will have met you by this stage and will assist with the process at Cairo Airport.

Important Note: Due to recent changes in the visa regime for Canadians, a visa on arrival or e-visa will no longer be possible for Canadian Citizens entering Egypt after October 1st 2023. Until further notice Canadian passport holders must obtain a visa prior to arrival, from the nearest Egyptian Consulate.

All African & Indian nationals, and some others, will need to obtain their visas in advance.

For further information on your visa requirements, please either contact us or your local Egyptian embassy/consulate.

Jordan

Passport holders from the UK, Ireland, Australia, New Zealand, USA, Canada, South Africa and most EU countries can obtain the visa on arrival in Jordan. The visa costs 40 JOD and is valid for 30 days.

Overland Tours - we will apply for a Jordan Wanderer Pass for anyone travelling through Jordan on an overland tour. This pass includes your entry visa as well as entrance fees to many sites in Jordan. We will email you the relevant details before your trip departs. Please make sure you print this information before travelling; if you forget it and have to buy another visa at the border, it will be at your own cost.

Small Group & Family Tours - Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

To promote tourism to the country, the Jordanian government has designed the Jordan Pass. This provides adults of most nationalities with a free single entry Jordan visa (for stays of 3 nights or more), a discounted package of entrance fees, and free digital brochures for the various sites in Jordan. Please check the Jordan Pass tour note for more information.

Double or multi entry visas for Jordan are no longer available and you will need to arrange two visas if you are doing a combination tour (eg. with Egypt and/or Israel) that visits Jordan more than once. Exceptions may occur if you are crossing to and from Israel via the King Hussein Bridge - please contact us for details.

If you wish to arrange your visa separately in advance, or if your stay will be shorter than four days/3 nights, then a visa fee of 40JD (approx. USD 57) will be due.

Families with children under 12 are recommended not to purchase the Jordan Pass for the children as entrance fees are not charged in Jordan for children under 12. Instead, the adults should purchase a Jordan Pass and we will arrange a free visa for the children which you will receive when we meet you on arrival into Amman airport.

Other nationalities may require a visa prior to arrival and to obtain this in advance, please contact your local Jordanian embassy or consulate or a visa agency for details. In addition, if you plan to enter Jordan via the southern Wadi Araba crossing (Eilat-Aqaba) or the Allenby Bridge/King Hussein border with Israel in the north, you will need to obtain your Jordan visa in advance as these are not available on arrival at the border.

We suggest that you allow at least 8 weeks to get all your vaccinations.

Health - To join our trips you should be in good general health. Your medical insurance company must be told if you have any pre-existing medical condition / allergy or if you are on any regular medication, otherwise you may not be covered under your policies for these. Our crew will need to know of any medication or conditions you may have. For general health advice log onto www.nathnac.org/travel/

TRAVEL INSURANCE

It is a compulsory requirement that you have adequate travel insurance before you join any Oasis Trip & at the very least are insured for all necessary medical & repatriation costs incurred.

You will be asked to provide the following details if you have not already done so: travel insurance company name, insurance policy number & insurance emergency telephone number. You will also be required to give a copy of your policy with this information to your Tour Leader on arrival with confirmation that the policy duration is sufficient to cover you for the entire duration of your trip. It is also wise to leave a copy of your insurance policy with a friend or relative for safe keeping.

We believe that your safety and holiday enjoyment are very important. It is a mistake to think that "it will never happen to me". It is also very important that you are covered for all the activities that you may wish to undertake while on our trip. It is extremely important that you check the full extent of your cover related to 24 hour Medical Emergency Assistance. In the event of you needing medical treatment you want to know that you have the best cover available to you. Your policy should include adequate Medical Emergency and Repatriation cover as well as Cancellation, Baggage and Personal Liability cover. You need to be aware of EXACTLY what activities your policy covers you for. Please note that skiing is not usually covered in most insurance policies. Please note also that many of the areas we visit are not as developed as the UK and we have no control over the availability or standard of medical and repatriation services and facilities in the areas we visit and these do not form any part of our contract with you.

You should also note that passenger liability insurance covering vehicles, particularly in Third World countries, may be unavailable or inadequate; it is therefore important that your insurance cover makes sufficient provision for you and your dependents in the event of an accident.

We are happy to refer our UK based travellers to the travel insurance specialists [Campbell Irvine](#) who have a policy suitable for overlanding which covers most of the adventure and sporting activities on our trips.

Please be aware that most travel insurance policies will not cover you if you are visiting areas against government travel advice. If your trip will go through areas like this (for example, some of our Trans Africa routes through West Africa) then you may need to look at an alternative policy for these sections, for example [Battleface](#) or [SafetyWing](#).

For further information, check out the [Travel Insurance](#) section of our website.

MONEY, BUDGETS AND LP

Spending Money

From past trips and travellers feedback £20 to £30 per day per person, should cover costs such as meals not included, soft drinks and beers, email & communications, souvenirs and other general spending. Personal spending habits & budgets differ greatly from person to person. Budget on optional activities separately (see optional excursions page). Please bring cash in Euros / GBP£ / US\$ to exchange once in Jordanian Dinar or use the ATM's in the main cities.

Changing money

Change your money only at banks, hotels, airports or forex bureaux. It is illegal to change money on the street, as these people will normally be opportunistic thieves or undercover police. Your crew will advise you where & when you can change money & with what means. It is also a good idea to have a small CASH emergency fund, to allow for the unexpected.

Credit & Debit Cards

A combination of several types are suggested as not all types are accepted in all places. Visa & Maestro are best, MasterCard has limited access through parts of Jordan, but is generally accepted in ATMs. We recommend that you inform your bank that you will be using your card abroad to avoid it being blocked. Please see the optional excursions page for activities that can be paid for using a Credit or Debit Card. Commission rates vary between 2 to 5%.

Pre-Paid Travel Currency Cards

These cards are similar to normal Credit and Debit cards but they can be pre loaded with cash before you travel with a set amount allowing you to withdraw this cash using the card at normal ATMs. It is a more secure way to access cash on your trip and easier to use than travellers cheques, but again do not rely on these as your sole means of funds on a trip - (please refer to the ATM section). Several banks and companies now offer these cards, but be sure to look into the rates for withdrawing cash when making your decision.

ATMs

These are available in most major cities along our route and allow you to withdraw local currency only. We discourage you from relying on your ATM card as a primary source of funds in case it is lost/stolen/ swallowed, or the machine isn't working. Besides memorising your PIN, it is also important to be aware of your daily withdrawal limit and bank withdrawal costs.

Tipping Jordan:

Tipping for services provided is part of the local culture in Jordan, is often expected, and will be very gratefully received. While the amount you tip is subject to your satisfaction with the services provided and your personal budget, we are often asked for help and guidelines and can therefore suggest that you allow approx.:

Tour guides: US\$8-10 per person per day

Drivers: US\$3-5 per person per day

Restaurants: 10% or leave the change

Petra horse boys: US\$2-5 (we recommend against riding the horses for animal welfare and safety concerns, but the boys may still expect a tip)

Tipping Egypt:

Is usually expected & is a way of life in the region. Sometimes referred to as 'baksheesh' it is often more than a reward for services well done, but as wages are extremely low, it is an accepted means of supplementing an income. To avoid embarrassment and save you money, your guide will operate a tipping kitty and tip everyone from waiters, hotel staff (including cleaners), drivers and local guides on

your behalf. You will be asked for your tipping kitty contribution at the welcome meeting. The tipping kitty amount for your trip can be found on the front page of your pre-departure information and the trip page on our website.

Your Egyptologist guide (and Bedouin guides in the desert) is not included in this kitty and you may tip them at the end of your tour subject to your satisfaction with and appreciation of the service they have provided. You should not feel obliged to tip any particular amount, and should consider your personal budget. We are often asked to provide a guide however, and can suggest that approx. USD 10-15 per person per day would be appropriate.

ENTRANCE FEES

The tour price does not include entrance fees to the sites visited on the tour.

Jordan: We strongly recommend that you purchase a **Jordan Pass** prior to your travel to Jordan. This is a special package that has been designed by the Jordanian Ministry of Tourism and Antiquities for tourists visiting Jordan. As well as including a discounted package of entrance fees covering all the sites in Jordan that you will visit on this tour (plus many others), the Jordan Pass also provides free downloadable digital brochures on each attraction, plus a free tourist visa for entering the country (40JD if obtained on arrival in Jordan). It also allows us to speed up our entry to each site as if everyone has the Jordan Pass we won't need to queue for tickets.

A handful of sites that we visit on our tours are not covered by the Jordan Pass (eg. Mt. Nebo, St. George's Church at Madaba, and the Shawmuri & Azraq Reserves), so to keep things simple for you while you are in Jordan, where these are visited in our itineraries, the entry fees are included in your tour price. If you visit any other sites not covered by the Jordan Pass during your free time or on additional tours you arrange while in Jordan, you will need to pay the entrance fee at the site.

The cost for the **Jordan Wanderer Pass** which is suitable for all our tours which visit Petra on one day is JD70 (approx. US\$99). You should also check if your tour visits the Baptism Site at Bethany and if it does, add on the supplement for this site (an extra JD8, discounted from the JD12 payable at the site). Passes are available by completing a simple online form before you travel, taking care to make sure your passport details are entered correctly as this doubles as your visa application. Your Jordan Pass will then be emailed to you as a pdf document, which you should print out and bring with you. You will then need to show this print out at the immigration desk on arrival in Jordan to obtain your free entry visa, and also at each attraction where it will be scanned to confirm your entry. [Obtain your Jordan Pass here](#)

If you do not obtain the Jordan Pass before arriving in Jordan, you will need to pay the entry fees when you arrive at each site and also pay JD40 for your Jordan visa when you enter the country (or arrange your visa in advance).

[More information about the Jordan Pass.](#)

Egypt: Our Small Group Egypt tours do not include entrance fees to the tourist sites mentioned in the itinerary. We do however normally include these in prices for Tailor-Made and Escorted tours. Please check the Inclusions and Exclusions section below the tour itinerary for a details about your tour and the amount you may need to budget. This amount is subject to change and will be reconfirmed in Egypt at the start of your tour. A 50% discount for minors or ISIC card holders is often, but not always available.

Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish. This payment is normally collected in US Dollars cash together with payment for any Tipping Kitty used on the tour, though you may also pay with Egyptian Pounds or other currencies, converted to USD. Local exchange rates are set on a monthly basis and based on local bank rates so may not match the exact rates you may find online on the day.

PHOTOGRAPHY AND ELECTRICAL EQUIPMENT

Cameras (incl. Digital & Video Cameras) - An easy to use 'point and press' will get you some good photos. For memorable shots, it may be worthwhile investing in an SLR camera, but be sure to get some practice in before the trip! Most towns and cities have internet cafes where you can download onto CD/ internet sites - but don't rely on it.

Photography - Be aware of your surroundings when taking photographs and filming. Some locations will be sensitive or have local laws banning photography. For example it is usually forbidden to use cameras at borders or around government buildings, military installations, bridges and airports or to take photos of local officials. If you do take photos or film where it is not permitted you may find yourself being questioned by irate officials who may decide to confiscate your camera or instruct you to delete all the images/footage on your device. If in doubt ask for permission, or if there is no-one to ask use some common sense.

Drones - As the use of drones becomes more common, countries throughout the world are gradually updating their laws and restrictions on usage. The specific regulations will vary from one country to another, so do check the UK Foreign and Commonwealth Office advice for the latest information. As with cameras, use your common sense if you do use a drone and avoid operation in sensitive areas. If you plan to bring a drone on your trip with us please contact us first to ensure there will be a suitable place to store it while on your trip.

Electrical charging & power supply - It may be difficult to find a power source for charging at times, so a spare battery is a must. Log onto www.whatplug.net for information regarding the different electrical plugs and voltage used in each country.

CONTACTING HOME

The internet and WiFi are available in many towns / cities you will visit. Do bear in mind that the connections can be unreliable and will not always be as fast as you are used to at home. If a lot of people try to use the internet at the same time the speed will be slower still, especially if trying to make Skype calls or upload photos / videos. During periods of the trip where we are wild camping, internet will be less common.

Some travellers choose to take an unlocked mobile phone with them and buy local SIM cards or E-Sim in each country, allowing them to use mobile data. If you particularly want or need regular internet access this may be a good option. Telephone calls can be expensive usually £1 to £5 for a three minute call.

Online Diaries - A great variety of free "travel blogs" are now available online, they are a good way of keeping relatives and friend up to date with what you are doing and a good place to upload photos, collecting messages as well as keeping a record for yourself.

RESPONSIBLE TRAVEL

Before you go

- Remove unnecessary packaging before you go - waste disposal facilities are often stretched or non-existent in the places we visit. To avoid unnecessary pollution of local water supplies take environmentally friendly toiletries with you.
- Why not invest in a wind-up or solar-powered torch or media player before you travel or at least rechargeable batteries.
- Learn some of the local language and read up on the local history/culture before you go. You'll get so much more out of your trip.
- Why not pack some pens/pencils exercise books in your rucksack and they can be donated to a local school or project while you're away. You can also purchase these items cheaply, locally which will help local businesses.
- Take a sturdy water bottle with you from home that you can re-use throughout your trip. We carry large quantities of purified water with us on our Expedition vehicles and it is much better for the environment if you drink this, rather than purchase bottled water along the way. (It also saves you money).
- **Water-to-Go:** Oasis Overland have partnered with Water-to-Go to help reduce the number of plastic water bottles consumed during a trip. Water-to-Go is a filtration system that eliminates over 99.9% of all microbiological contaminants including viruses, bacteria, chemicals and heavy metals from any non-salt water source. [Click here](#) and enter the code OASIS25 to purchase your Water-to-Go products at 25% discount.

While you're travelling

From experience gained in running trips, we have developed our own practical and manageable environmental policy which all of our crew practice on the trips we operate, and they will share this information with you at the start of your trip. We welcome your input on this, plus any new ideas you may have, to improve our existing procedures. As a guide here's a few tips to bear in mind.

- Don't waste water. It is a scarce resource in many of the places our trips visit. On all our Ultimate and Overland Expeditions we carry large quantities of purified water with us. We encourage you to refill your own water bottles from this supply, rather than purchase bottled water along the way-much more environmentally friendly and saves you money!
- Never buy endangered species or endangered habitat products. Apart from the fact of it being illegal it also encourages the trade to continue.
- Look after and preserve the areas we visit. Be careful about stepping on coral reefs or trekking on undesignated tracks.
- Buy locally made crafts and products helping to support the local economy.
- Don't feel when bargaining that you have to get the cheapest price possible just for the sake of it. Pay what the item is worth to you & don't worry about what someone else has paid.
- Try the local food and drinks - this will help to support local farmers and food sellers. Sitting in a local cafe is also a great way to meet local people.
- Dispose of litter appropriately on your trip. This includes cigarette butts. Not only does litter look unsightly it can be lethal to wildlife.
- Where any toilet facilities exist, however unsavoury they might seem to you, they should be used. Where they do not, always bury your waste and make sure it is never near, (at least 30m) a water source.
- When game viewing do not encourage your guides to get too close to the wildlife so that their natural behaviour is impeded.
- Respect local customs, traditions and beliefs of the people in the different regions that you travel through.
- Do not take photos of people, ritual events or special places unless you have asked first. Dress appropriately according to local codes and show respect around religious festivals.
- Recycling is almost non-existent in many of the areas and countries we visit - we do the best we can with limited resources & space on our vehicles.
- For books dedicated to travelling more responsibly & ethically see: www.tourismconcern.org.uk

SECURITY

The UK Foreign, Commonwealth and Development Office (FCDO) offer country-specific advice, regarding not only security but also entry regulations, local laws and customs and health. We strongly recommend all travellers visit the FCDO website, or the equivalent in their home country, to familiarise themselves with local conditions and issues in the countries they plan to visit before committing to a trip with us. You can view their website [here](#).

If you have any questions at all about the safety or security of your trip, please do not hesitate to contact us and we will be happy to discuss your trip in more detail.

In cities - All major cities have their share of petty crime (just like our cities) and sensible precautions need to be taken. Wearing expensive looking jewellery or watches and carrying cameras will draw unnecessary attention to you. Leave valuables such as passports and excess money in your hotel safe (we recommend carrying a copy of your passport details page at all times). You may find a simple money belt is more discreet than a bag. Always be aware of your surroundings and when approached by people you do not know, use your common sense. At night in cities it's best to use a taxi, rather than walking around the streets, single women in particular need to be careful and we would suggest that it is safer to be in a group.

Oasis does not take responsibility for clients' personal items and we advise you to not take items of value that are not essential for the journey.

WHAT TO EXPECT

LIFE ON THE ROAD

You will be travelling within a group size ranging from 2-18 people, so come with an open mind and ready to make new friends! You will be accompanied on your adventure with an experienced Local English speaking guide. They are knowledgeable and passionate about the history and culture of Jordan.

Accommodation & Transport

Transport in Jordan is by minivan and bedouin jeeps whilst in Wadi Rum. We use 3 to 4-star hotels along with a night sleeping in a traditional bedouin tent whilst in Wadi Rum. In Egypt transport is by overnight seater train (sleeper train upgrade available), minivan and Felucca sailboat. We use 3 to 4-star hotels along with a night sleeping under the stars on a Felucca sailboat. Some hotels even have swimming pools and sun-lounge areas. Temperatures in this region are generally high, particularly during the summer months from May to September, so take sunscreen. However in winter temperatures can drop right down in the evenings, but as long as you bring some warm clothing for the night on the in Wadi Rum and onboard the Felucca sailboat then you should be more than comfortable.

Vegetarians / Vegans / Coeliac / Gluten & Lactose intolerance

Our Tour Guides will always do their best to cater for any dietary requirement or intolerance whenever possible. However we don't cater for fussy eaters. It must be remembered that the variety of dishes available may not be the same as available to meat eaters. If there is anything in particular you require in your diet or because of an allergy or would miss from home, it would be best to bring these with you. Remember that when eating out in local restaurants & hotels sometimes being vegetarian or food allergies / intolerances are still not widely known about or understood by many local people. i.e. Vegetarians or Vegans will often be offered fish or chicken in error. Most large towns and cities, or areas used to tourists, will often have more choice but please be aware that it will probably not be as varied as you are used to when eating out at home.

Ramadan

Ramadan is the holy Islamic month during which Muslims fast during the day and is based on Lunar months. No food or liquid is allowed to pass a person's lips during daylight hours. Tourists are not expected to fast during this time, but are expected to show respect, by not eating on the streets or in public view etc. Be aware some shops and historical sites may adjust opening times, but this should not significantly affect our itinerary. Hotels and western style pubs we use normally continue to sell alcohol during Ramadan, but general availability may be limited.

People in some regions are generally conservative, especially about matters concerning sex and women. Muslim countries simply are not the place to make a feminist statement. Attitudes range from fairly liberal to fairly conservative in some of the small towns we may pass through. If you are not prepared to fit in with the social code of the area you may be harassed.

Optional Excursions are paid for on the day and organised during your trip, so you can decide whilst travelling which activity you may want to do. Prices listed are only a guide and may be dependant on fluctuating exchange rates and minimum numbers. Please see below for more details.
